LEGAL NOTIFICATION

PRIVACY – WORKSHOP

All files used on RogLab computers are open to public access. You are solely responsible for your files, thus you should save them on a USB memory stick or an alternative data carrier once you have finished using them. We will not be held responsible for any lost files in RogLab.

WORKSHOP DISCLAIMER

All users, programme and project partners as well as all other users of RogLab are to use RogLab and the equipment found within it at their own risk.

The public partner Museum and Galleries of Ljubljana does not accept any responsibility for any injuries suffered by the users, programme or project partners, their employees or other visitors of RogLab while using the premises of RogLab or the equipment within. The public partner Museum and Galleries of Ljubljana will also not supervise the use of the RogLab premises and equipment within. The public partner Museum and Galleries of Ljubljana will ensure that the instructions for using the equipment will be made available in the RogLab premises.

By applying to use the RogLab premises and equipment found within, all users, programme and project partners as well as other visitors of the RogLab premises, confirm that they have appropriate and sufficient knowledge and experience to enable their safe use of the RogLab premises and the equipment found within. By applying to use the RogLab premises and equipment within, they also confirm that they are familiar with the instructions on how to use the equipment within, which are available in the RogLab premises.
